Harry,

This has really been one great year. As hard as "Gabby" was (and is), we still had plenty of time to laugh! Thanks for keeping history from being sheer drudgery. (Spelling is one of my worst subjects. How do you spell that nasty word?) Without our note passing and talking I couldn't have made it to the end of the year.

I've never known you very well before this year. You've always been just another friendly, smiling idiot to me! This year I've gotten to know you better. You're still the same, only more so. You have a great personality and you never cease smiling. You have one of the most infectious (how spell?) laughs of anyone that I know.

We've really had some crazy times this year. We're lucky that we didn't get caught any more than we did. All-in-all it's been fabulous knowing you this year.

Next year as Juniors (!) I hope that we can have loads and oodles of classes together.

Have a marvelous time this summer. Stay just the way that you are always. In front of you, Bebs Mann

Lots o' luck & love.

[Reserved]

Larry,

It's been wonderful knowing you this year. I only wish it could have been last year also. We've had some good times in Biology class, haven't we? I'll always remember that class and Algebra class, too. I wish that you could have been in more of my classes.

That Saturday over at Tanglewood will always remain in my memories. Especially our canoe ride. It was so much fun. I hope we can go again real soon.

I wish you had gotten President of the Junior class. You would have been a truly wonderful one. But don't give up trying because with you personality you'll get far in this school.

I hope this year has brought us closer together. Maybe I'll see you this summer and we can talk about all the good times we've had this year. You are a real sweet and cute person. May the best of everything come your way. I hope to see you next year. I'll always remember you wherever I may be. I hope our friendship grows larger in the years to come.

A friend always
and forever,
Jackie

Larry,

It has been really great knowing you this year. How many years have I known you? It's been quite a few, I know!! We've had some good times together, though. I don't think we've ever really had a quarrel, even as little children in Robbins. That's ~~quite~~ quite a record for me.

We've got four classes together, and in every one we sit near each other, how about that? You've really helped me a lot in study hall concerning English (ugh)!

Remember all the parties we had with our Sunday School Class. At times, we really had a blast! How about last week-end at Tanglewood Park. You + Jackie acted like you sure had a lot of fun!!!

The year is almost over and we'll be Juniors next year!!! I can't believe it, can you? In a couple years we'll be out of school and maybe ~~Lady~~ MARRIED + with children. Oh well!

Stay just as you are and everything nice will come your way. You deserve the best of everything. May God bless + keep you always.

Always a friend,
Anne Smith

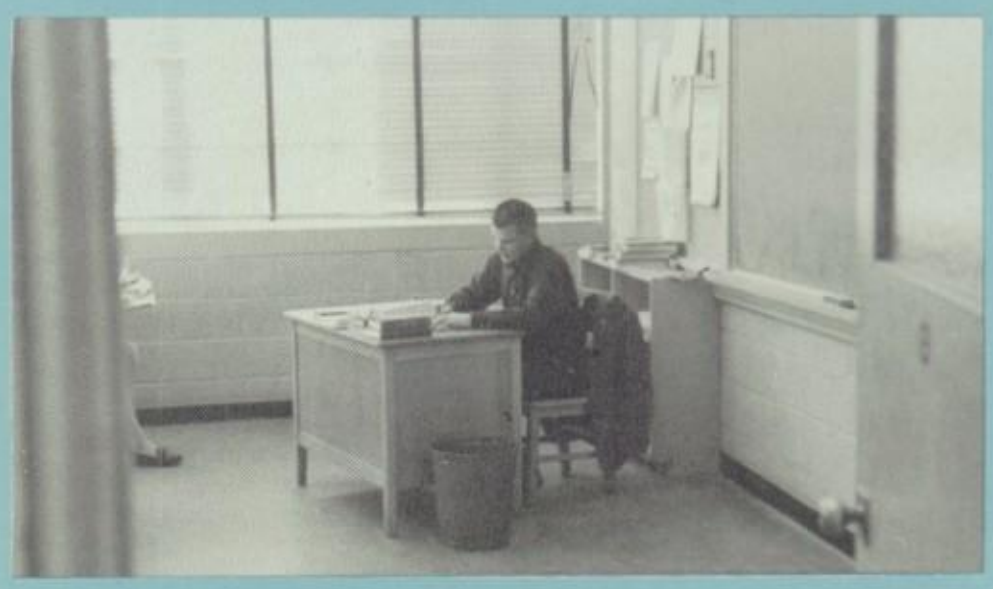
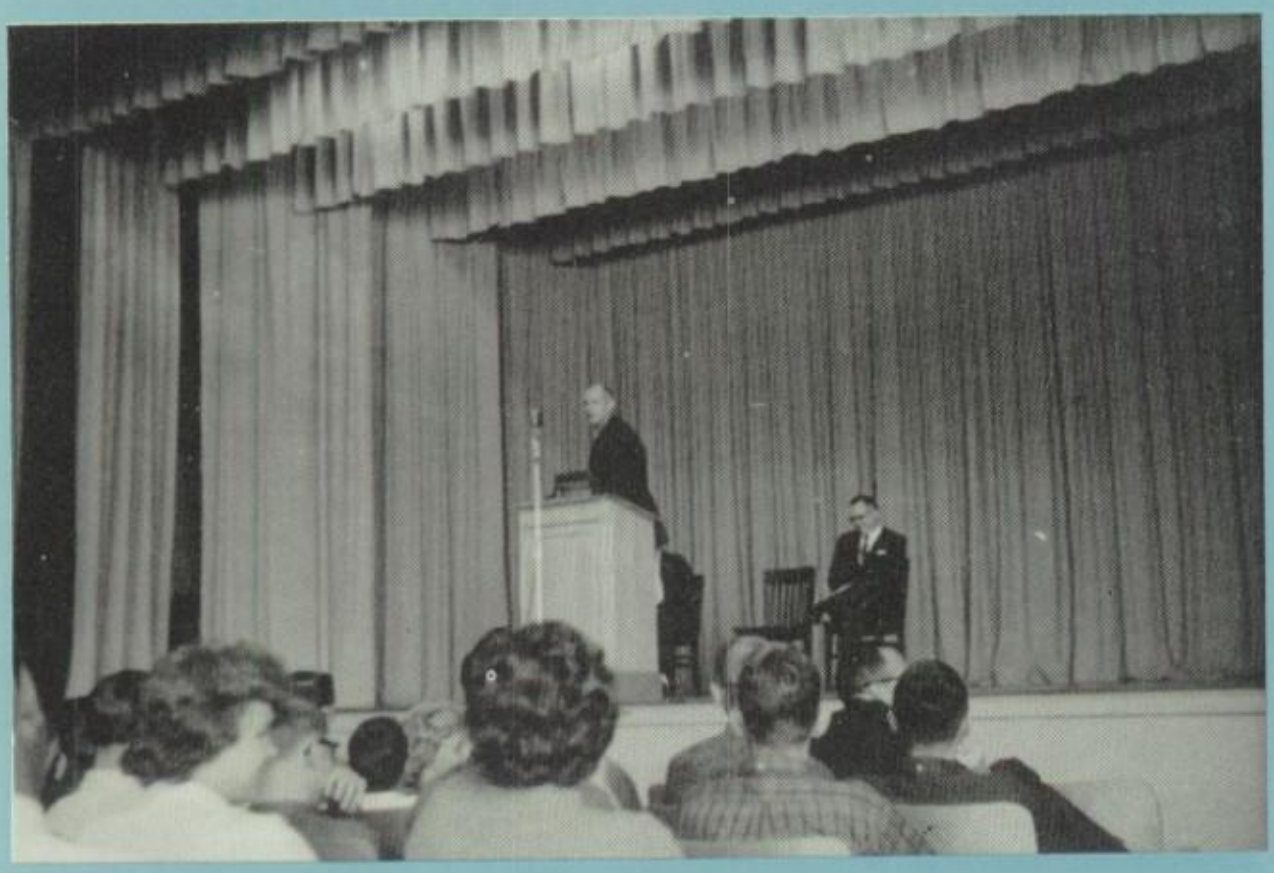
We, the students of Lexington Senior High, are deeply indebted to the members of the faculty in many ways for many things. Were it not for the help of our teachers, many of the things at school which we take for granted would not be possible.

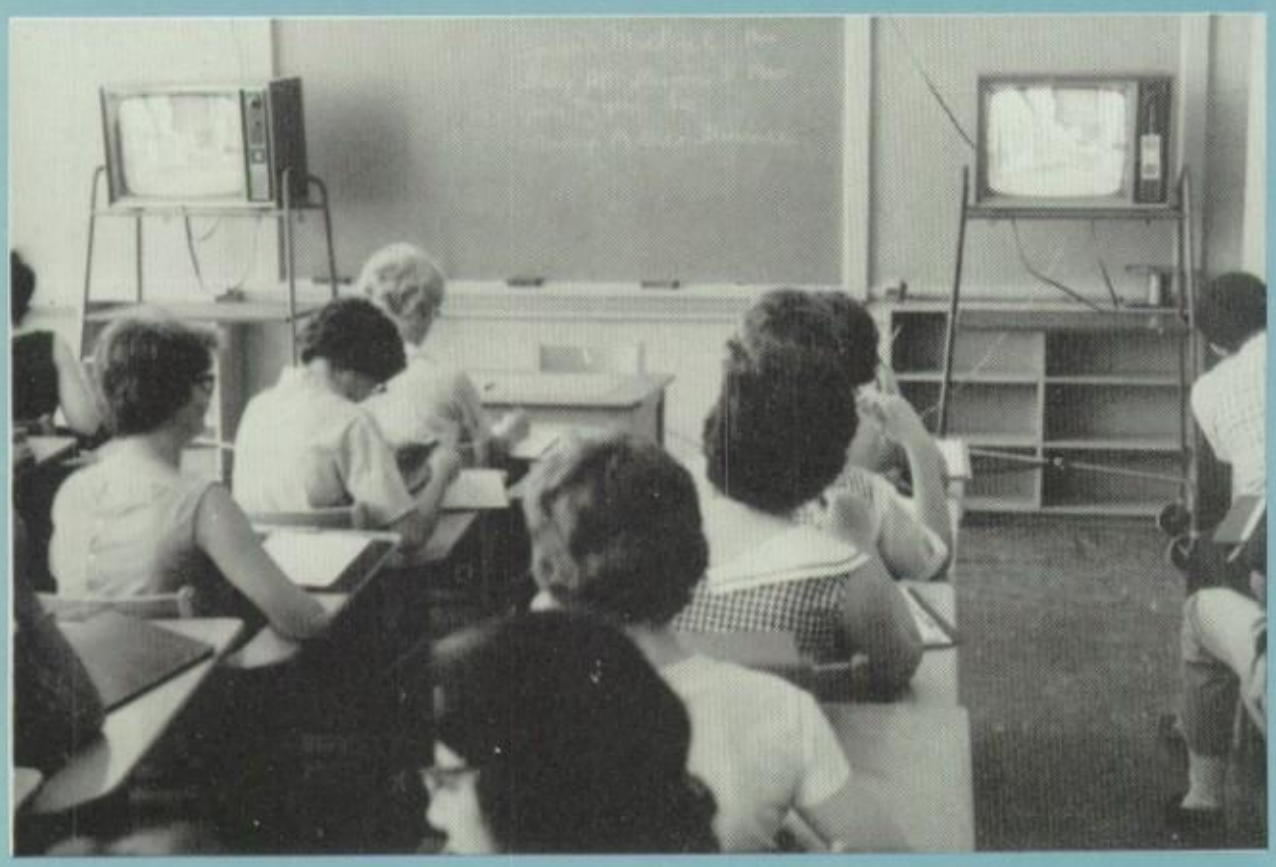
Each of us enjoys our clubs, school paper, and annual, class parties, and so many other "extras" which would not be possible but for the help and guidance of our teachers. Few of us appreciate fully the many hours of unrewarded service given by these people. For their help to the entire student body, we are deeply grateful, but we appreciate even more the many ways our teachers have helped each of us individually.

The times when we have received counsel over problems with studies or other matters were appreciated more than we can say. The kind words spoken each day, the patience displayed, the friendship offered, and the willingness to keep teaching—even when it seemed we would never learn—will linger in our memories long after graduation. With these memories will remain the feelings of mutual respect and friendship between the faculty and students of our school.

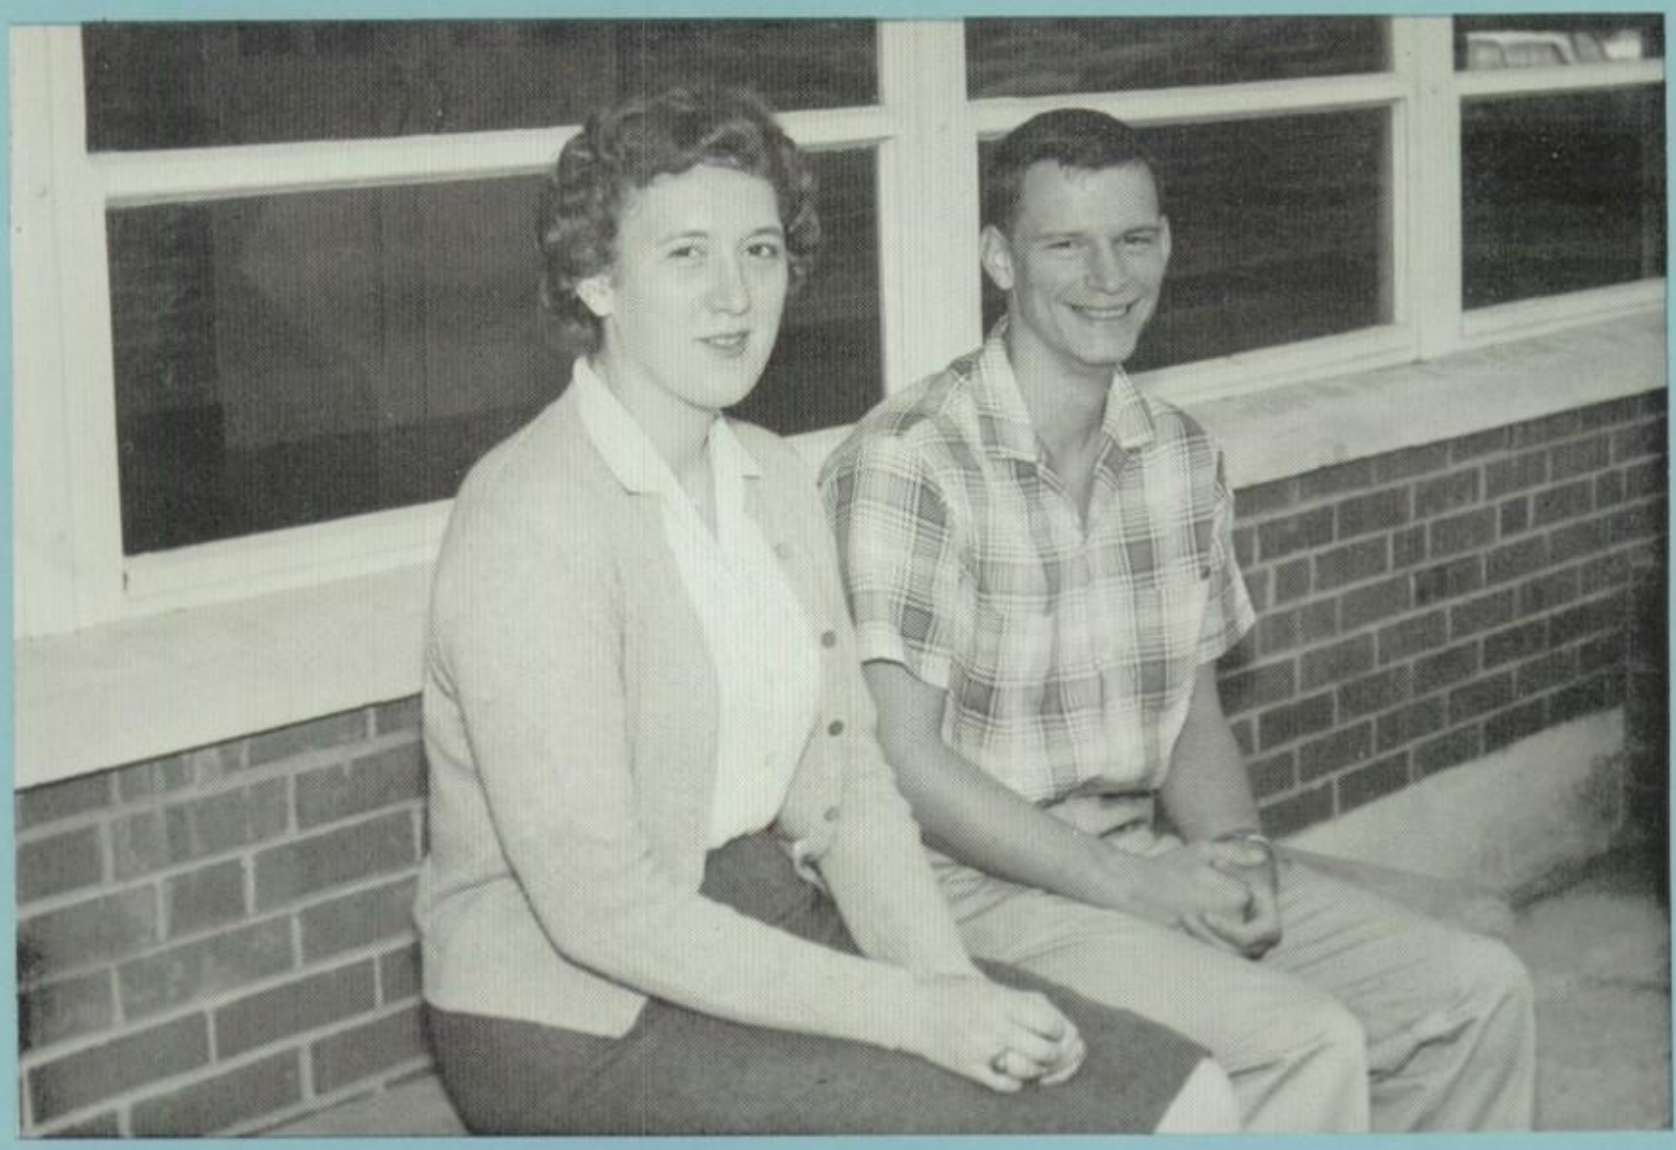


STUDENT





ACTIVITIES



Dear Students:

Your LEXICONS are finally here, and we really hope you will like them. It's impossible to please everyone concerning everything, but we tried to put together a LEXICON of which you can be proud.

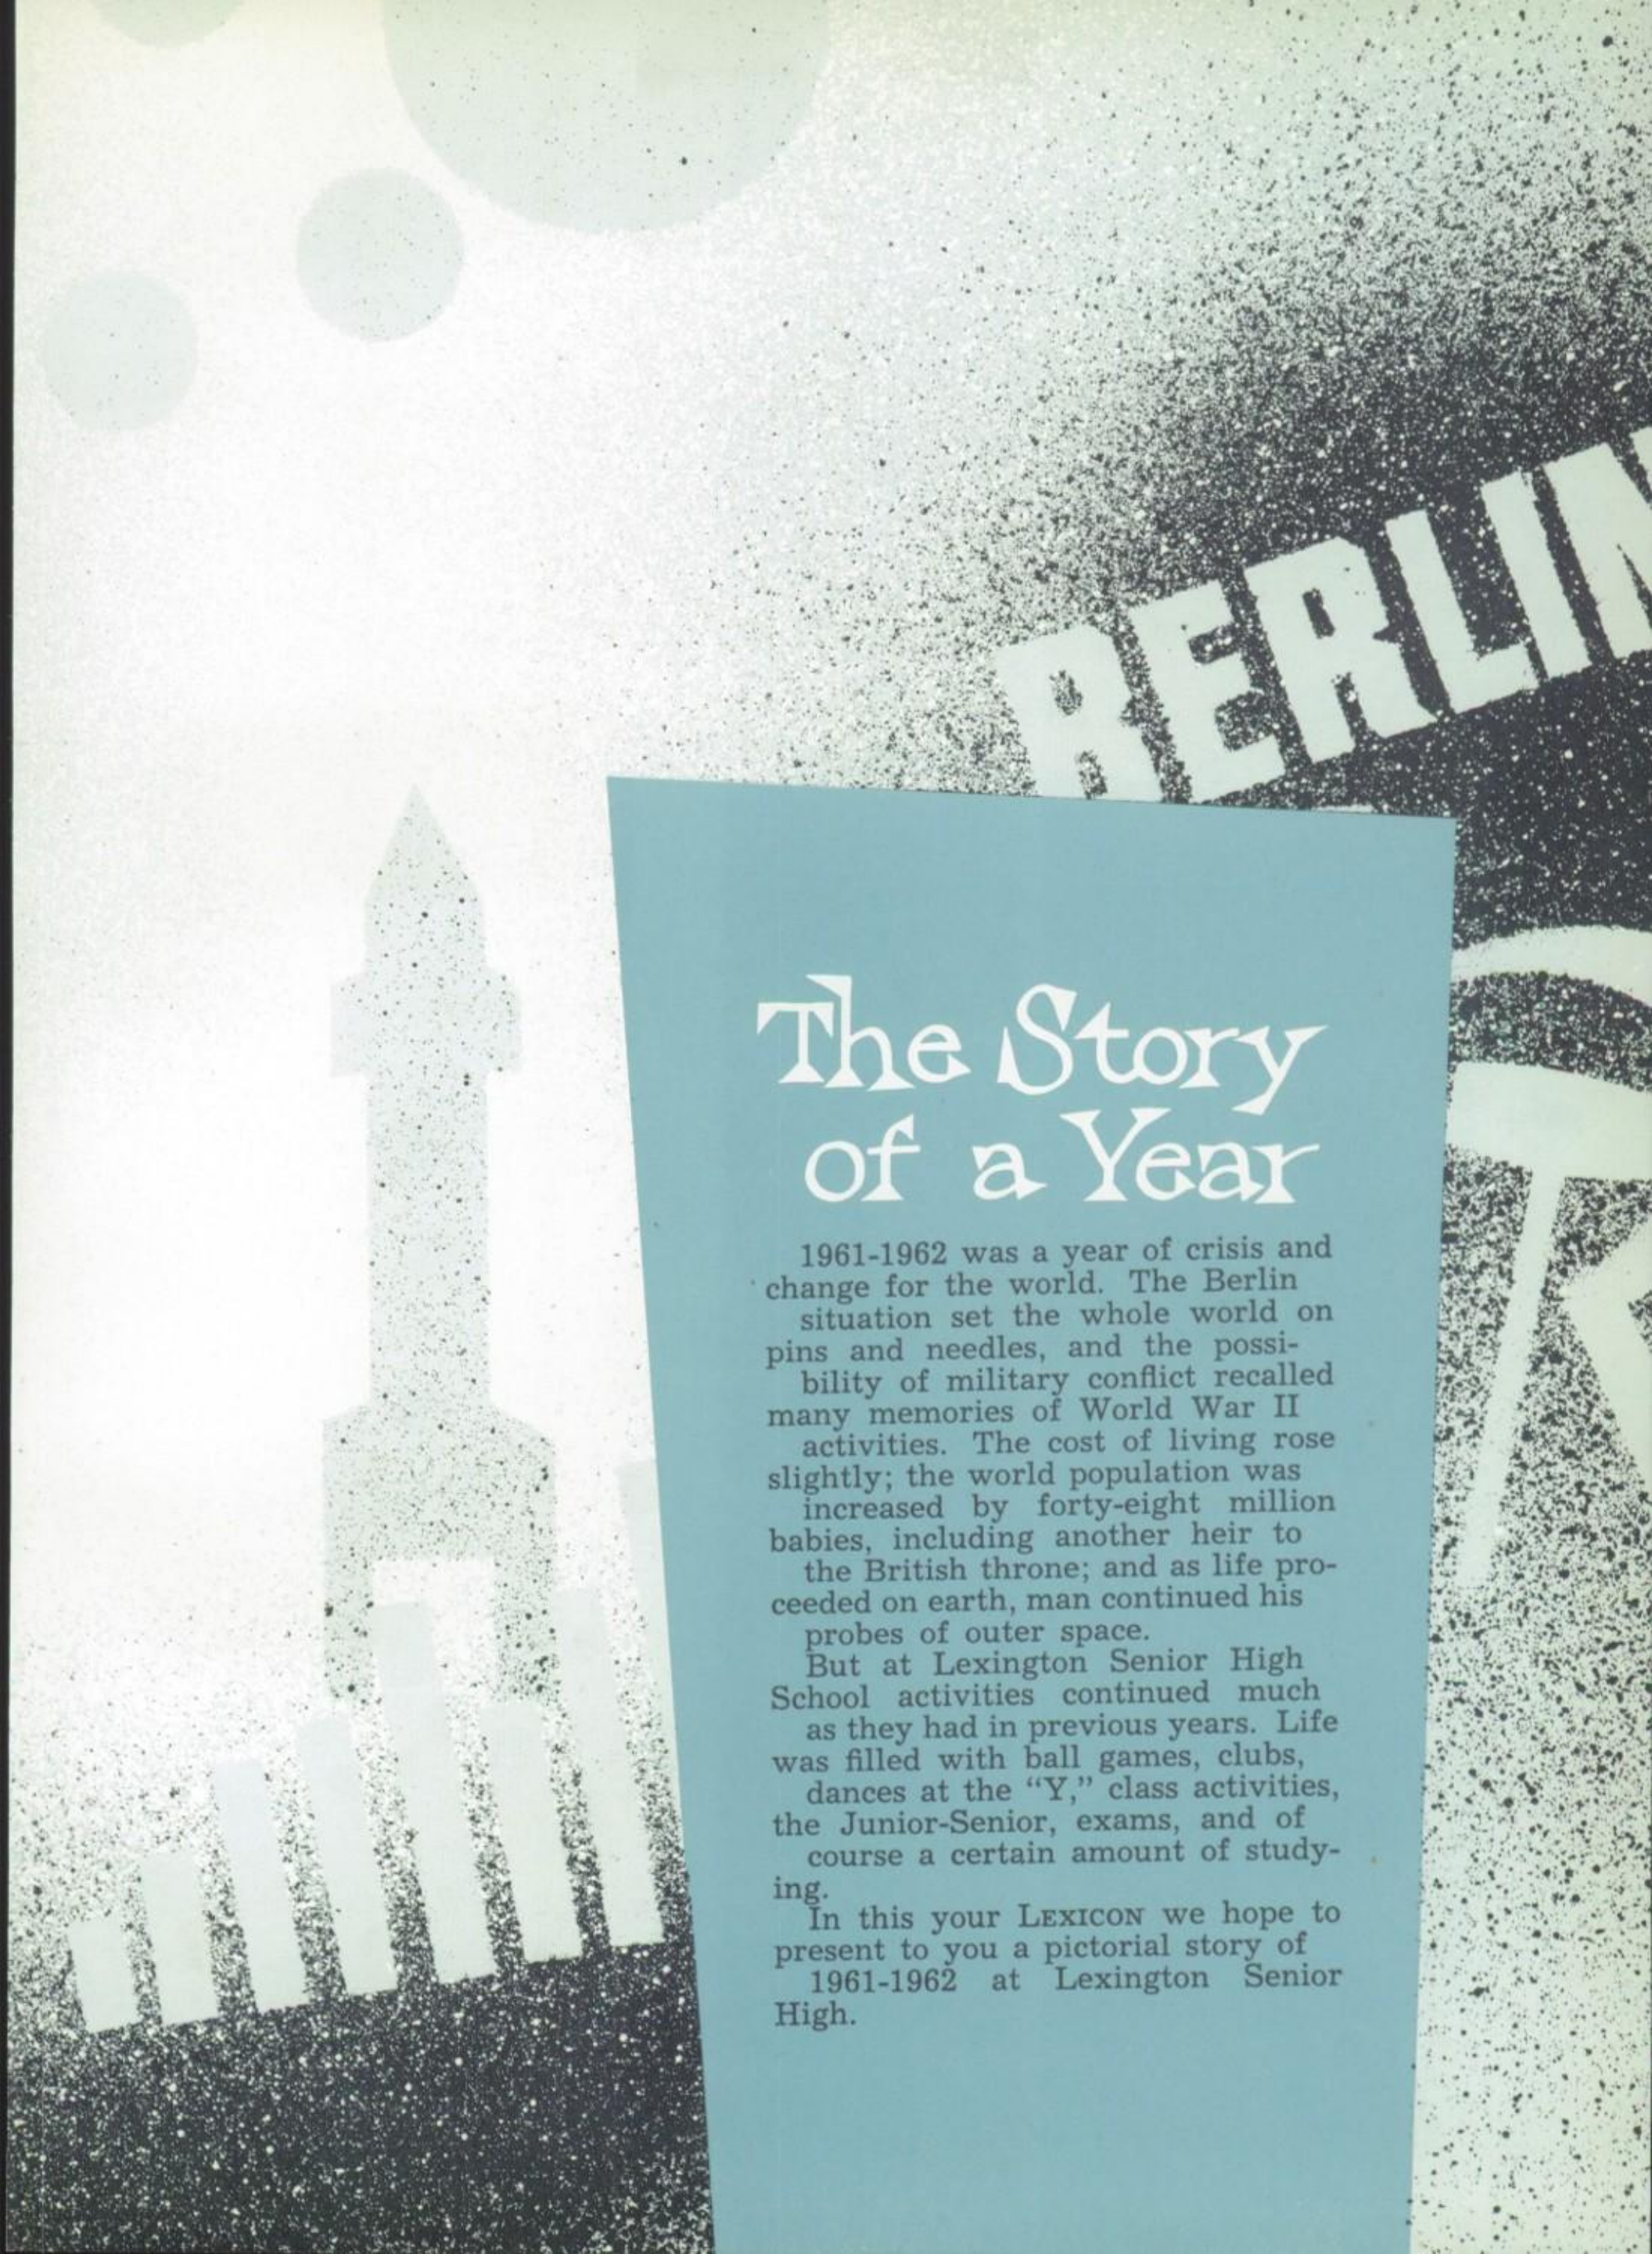
We want to say "thank you" to the literary staff—Ginger, Carol, Betty, Johnny, Tony, Suzanne, Jackie, Bethy, Kay, Linda, and Joe—and to the business staff—Charlye, Diane, Keith, David, Dawn, Tricia, Jimmy, Michael Dobbin. To Johnny Myers, who took many of our pictures, we want to say an especially big "thank you."

While we're saying "thank you" there are two people whom we cannot omit. To our advisors, Miss Charlotte Matthews and Miss Janie Manning, go our most sincere appreciation. Had it not been for their hard work, guidance, and tremendous patience, we could not have prepared this annual.

We can't, of course, ever tell you of all the experiences behind this annual, but let it suffice to say that the hours of work and some anxiety are overshadowed by the enjoyment we received.

So we give to you your LEXICON and hope that it will bring you much joy and many happy memories.

MARIE and DICK



The Story of a Year

1961-1962 was a year of crisis and change for the world. The Berlin situation set the whole world on pins and needles, and the possibility of military conflict recalled many memories of World War II activities. The cost of living rose slightly; the world population was increased by forty-eight million babies, including another heir to the British throne; and as life proceeded on earth, man continued his probes of outer space.

But at Lexington Senior High School activities continued much as they had in previous years. Life was filled with ball games, clubs, dances at the "Y," class activities, the Junior-Senior, exams, and of course a certain amount of studying.

In this your LEXICON we hope to present to you a pictorial story of 1961-1962 at Lexington Senior High.

Fall

While the weather was still quite warm, Lexington Senior High School students returned to classes. With the coming of over four hundred freshmen, classes were filled, and the enrollment exceeded one thousand students.

As the days passed, students and teachers settled down to schoolwork, and school once again became a routine. Of course, days were brighter when football games began. Days were filled with "pep" rallies, practices for players, and for Juniors, working at Football games.

School organizations such as The Student Council were very active with events such as College Day. Lexington had its first Youth Day. The day was filled with assemblies, discussion groups, and meetings at the "Y." To students and parents this proved to be a very profitable experience. Pinnings were held for various organizations as was the traditional Honor Society Tapping.

The final touch for fall was Homecoming. As any student knows Homecoming means working on floats, choosing sponsors, creating much school spirit, and having the parade. Of course there was the traditional "pep" rally with the burning of the dummy on the eve of Homecoming and a half holiday on Homecoming Day. Then there was the big game with the dance following at the "Y."

Before it seemed possible, the nip in the air became a cold biting wind, and everyone knew that fall was gone.

Student Government

The organization most important to the school is the Student Government. It is composed of the Executive Officers, Class Representatives, and the House of Representatives. Students bring all school problems to the council for consideration.

Many outstanding projects are sponsored by the Student Government. Some of the most important of these are the Homecoming Festivities, College Day, Parent-Player Night, Citizen of the Month, Career Day, and Student Handbooks.

President John Leonard and Advisor Mrs. Inez Hussey have led the Council through a successful year by hard work and enthusiasm.

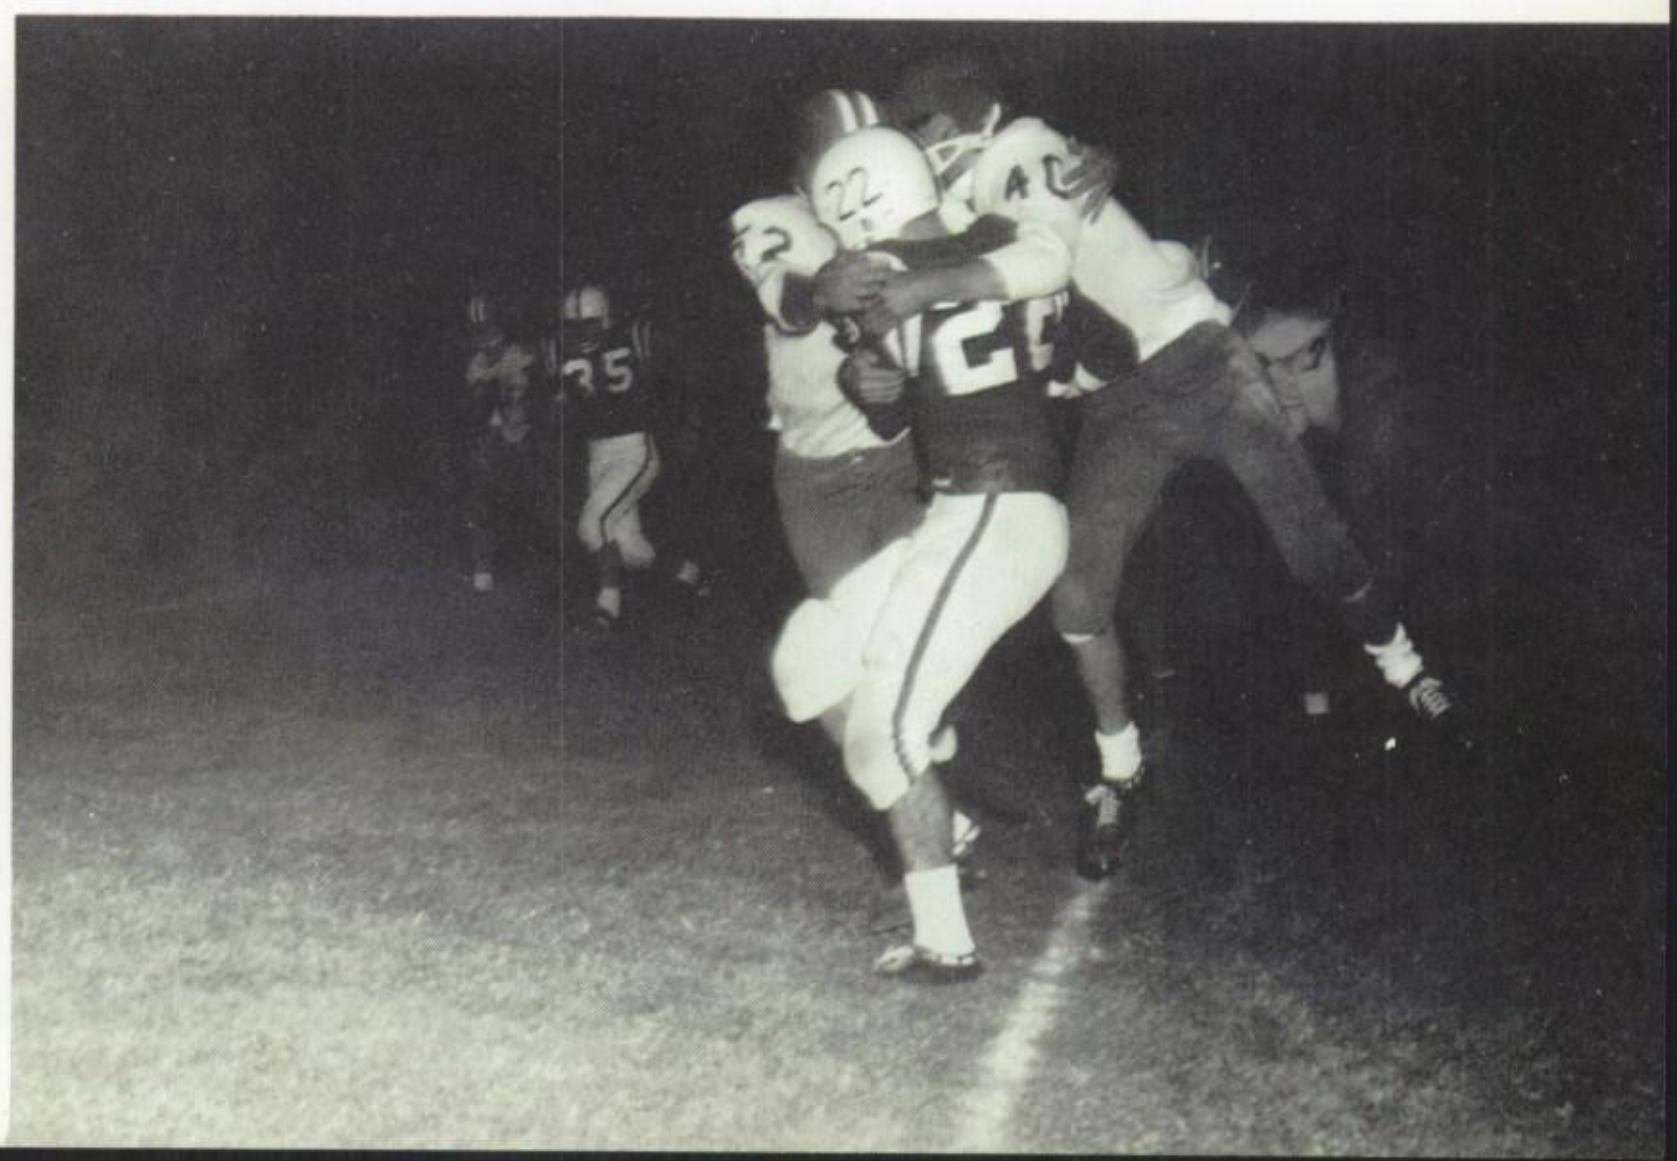
Football

This year the football team of L.S.H.S. fought hard; however, they were hampered by frequent injuries and lack of experience in some positions. There was criticism of the team because they won so few games; however, we wish to express our sincere appreciation to all the boys on the team for their long hours of practice and their fine efforts on the football field.

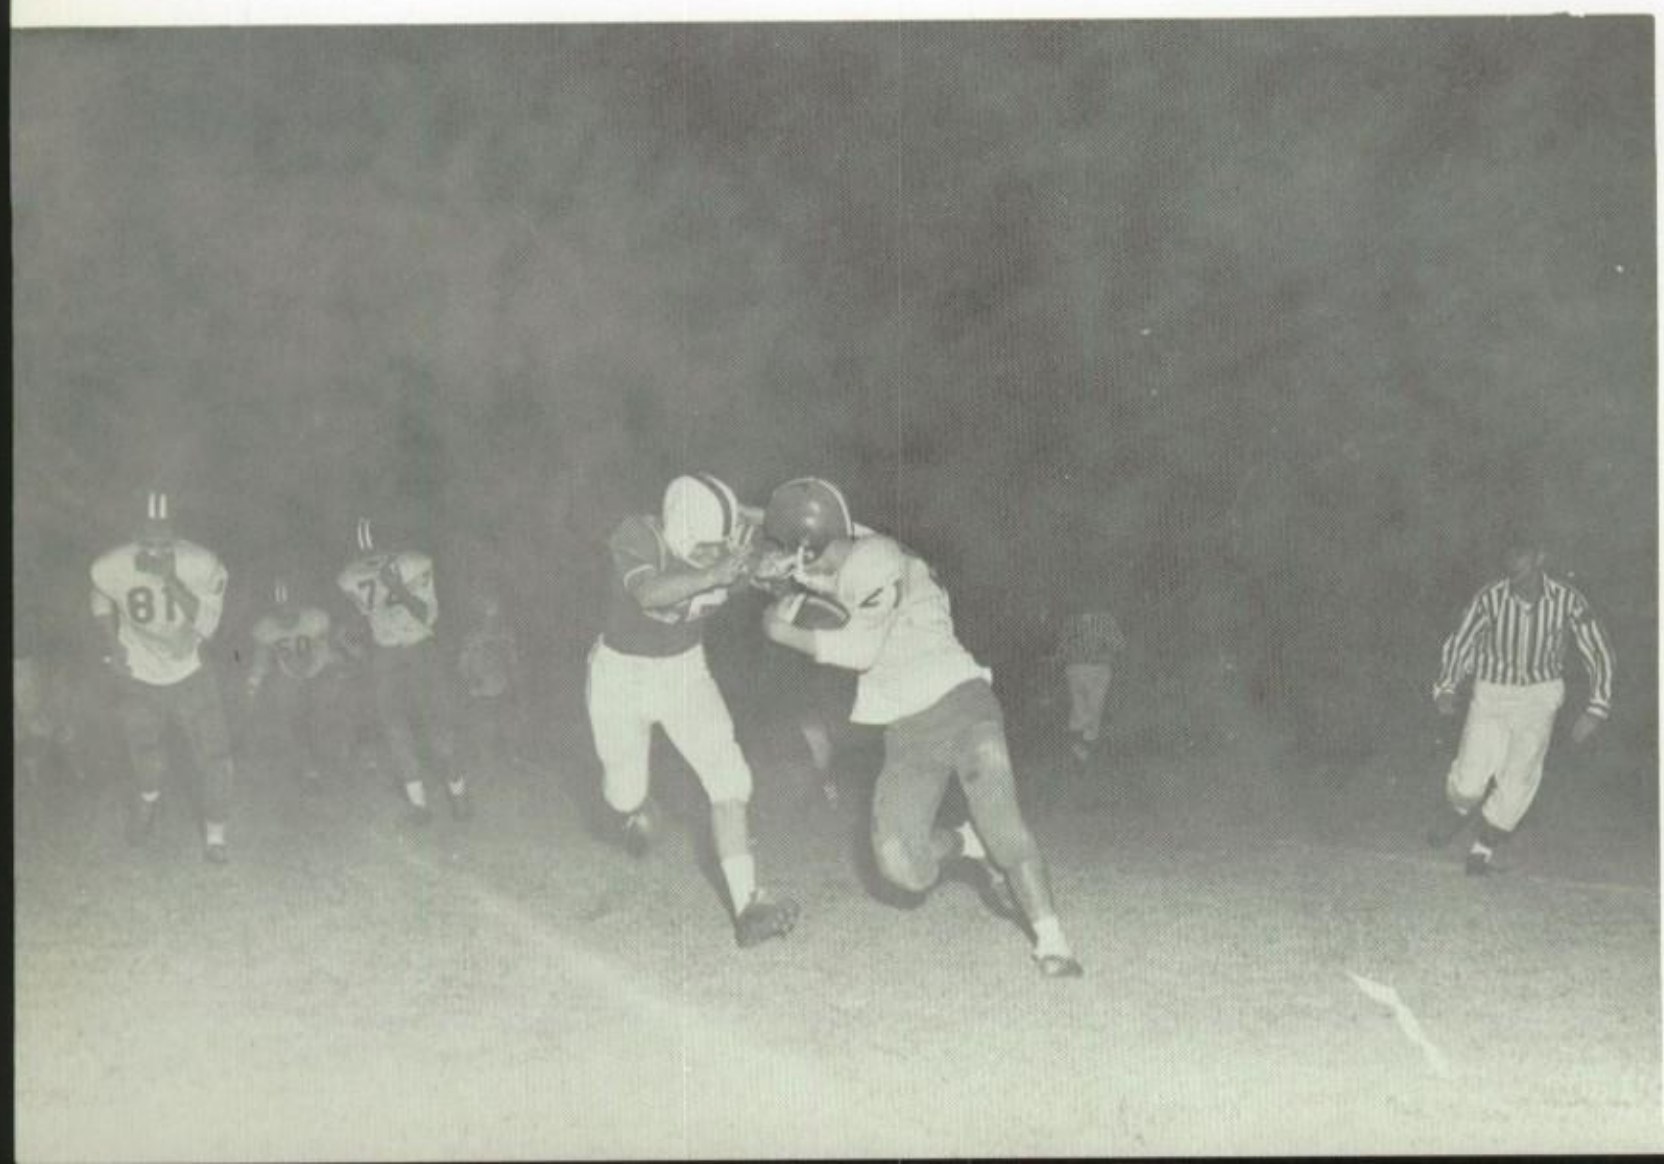


LEXINGTON VS. CENTRAL

The Yellow Jackets began their 1961 season with an overwhelming victory over the Central High School Spartans. At the final gun the Jackets had arrived at a 25-0 decision. This victory made hopeful the prospects of a good season.

LEXINGTON VS. R. J. REYNOLDS

After being victorious over Central High, the Yellow Jackets were looking forward to the game with Reynolds. Although the team fought very hard and was able to give the favored Demons a good game, they were not able to secure another victory.

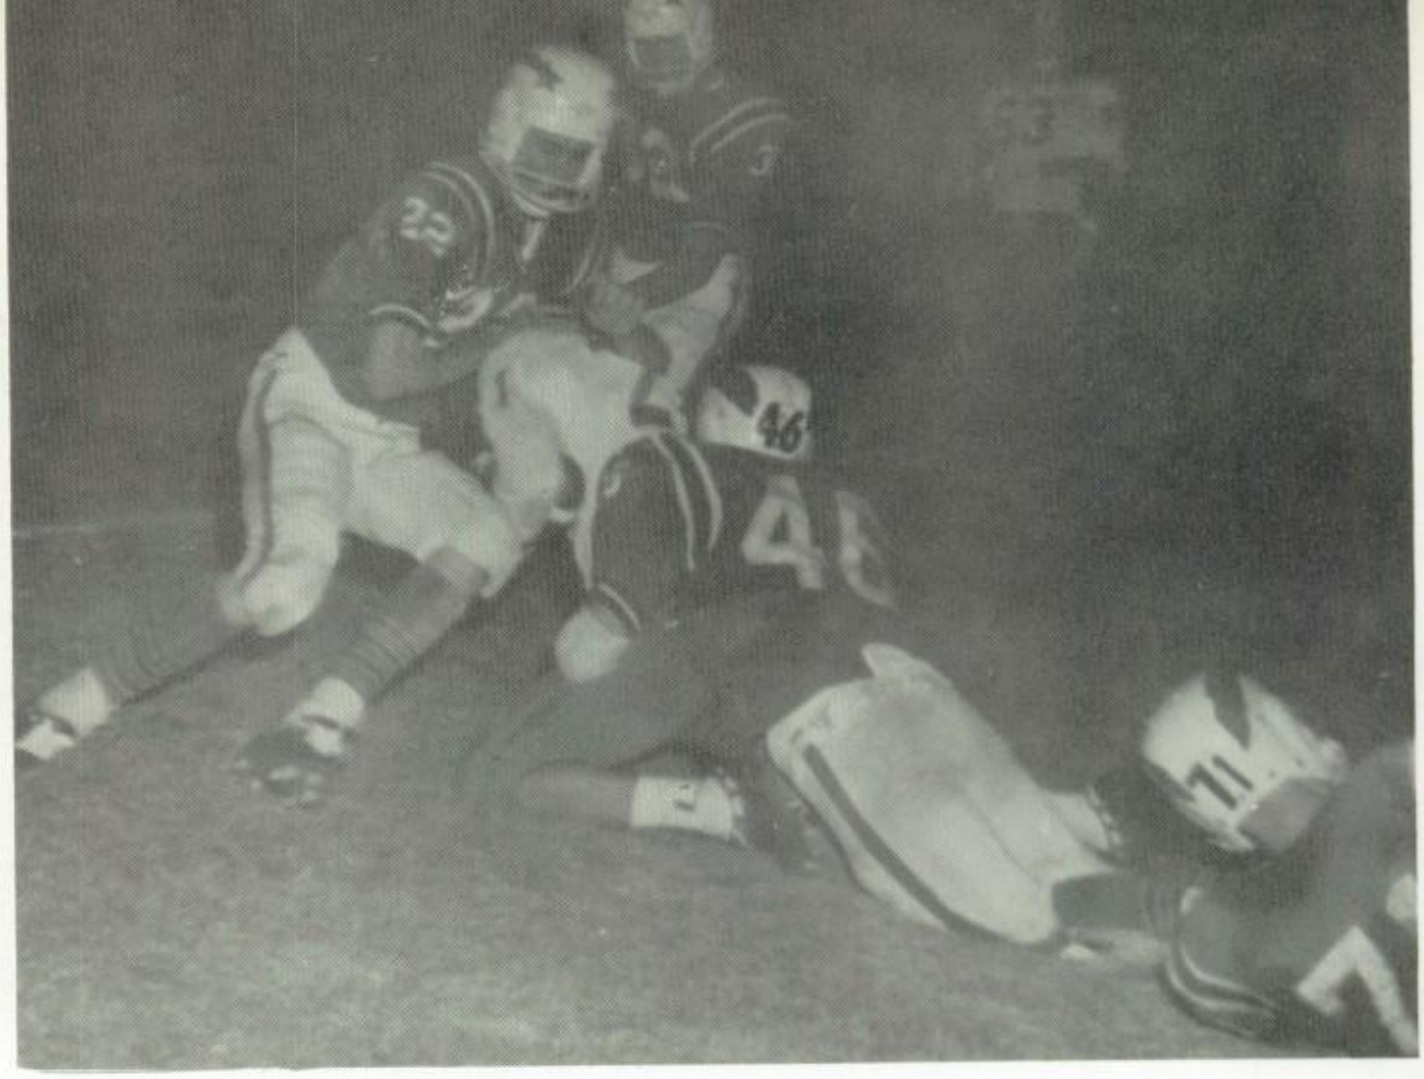


LEXINGTON VS. SALISBURY

The Jackets, hoping to bounce back with a victory after losing to Reynolds, were upset by the Boyden High Yellow Jackets from Salisbury. This annual rivalry, as always, was a very exciting contest; but Boyden managed to slip by with a narrow 7-0 win.

LEXINGTON VS. ALBEMARLE

Due to unspirited play, the Yellow Jackets were handed a 20-0 defeat by the Albemarle Bulldogs. The Albemarle team is to be complimented because they played very well which can be plainly seen by the final score.



LEXINGTON VS. HIGH POINT

Lexington bowed to the highly rated Black Bisons of High Point after a well played ball game. The score did not indicate this, however, because the Bisons defeated the Jackets 27-0. This being the Homecoming encounter, the spirits of the players were somewhat defeated after such a thorough defeat.

LEXINGTON VS. ASHEBORO

This year Asheboro's Blue Comets invaded Philpott Memorial Stadium for their annual battle with the Yellow Jackets. The game was almost a repeat performance of last year with the Comets winning by a large margin.

LEXINGTON VS. GREENSBORO

The Yellow Jackets took on Greensboro, the defending conference champions, at Greensboro. This was the foe's homecoming game, and they really came through with an overwhelming victory.

LEXINGTON VS. BURLINGTON

Powerful Burlington rolled over the Yellow Jackets by the score of 39-6. This game was not one of the better efforts that the Jackets put forth this year as is indicated by the score. The team is looking forward to seeking revenge for this defeat next year. Best of luck!

A. F. S. EXCHANGE PROGRAM

We are proud that Lexington is an active member of the American Field Service. Each year a student from a foreign country stays with the family of a Senior High School student. This year Lexington is fortunate in having two exchange students—Ann Sorensen from Denmark, and Tony Ratia from Finland. Each summer L. S. H. S. sends one of its students abroad. Last summer Pat Hankins spent her summer in Carlsburg, Germany.

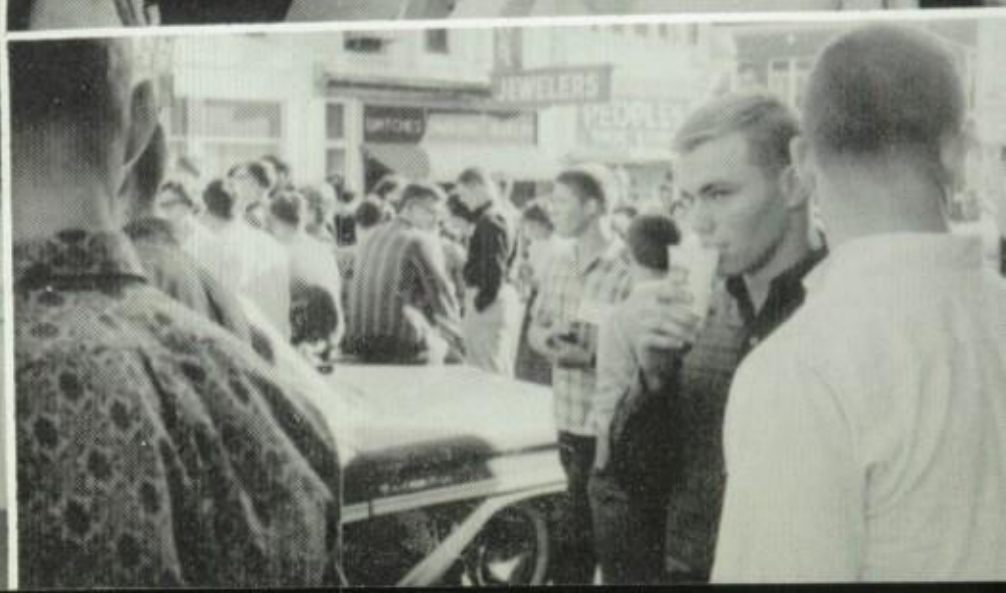
PEOPLES



Winter

Winter came to Lexington Senior High School, and with it came many additional activities. Clubs became very active with various projects for members most elaborate of which was the annual Tri-Hi-Y Coronation. At Christmas time many clubs carried out service projects which were fun for members and helpful to needy people.

With winter also came the fervent wishes that it would snow ten feet deep, that Christmas vacation would last forever, that College Board did not exist, and that exams were never given.

For the boys there were winter sports. Many people enjoyed attending the basketball games where both spirit and tension were high as the Yellow Jackets met formidable opponents. Wrestling also gained the attention of many students.

Among the classes plans were beginning to take shape. For the Juniors it was the tremendous task of planning a Junior-Senior, and for Seniors much time had to be spent on the Senior trip and the Senior Class Play.

The dull, dreary days of winter passed, and one sunny day a faint warm breeze was felt. For students it was a sure sign that winter was fleeing fast.

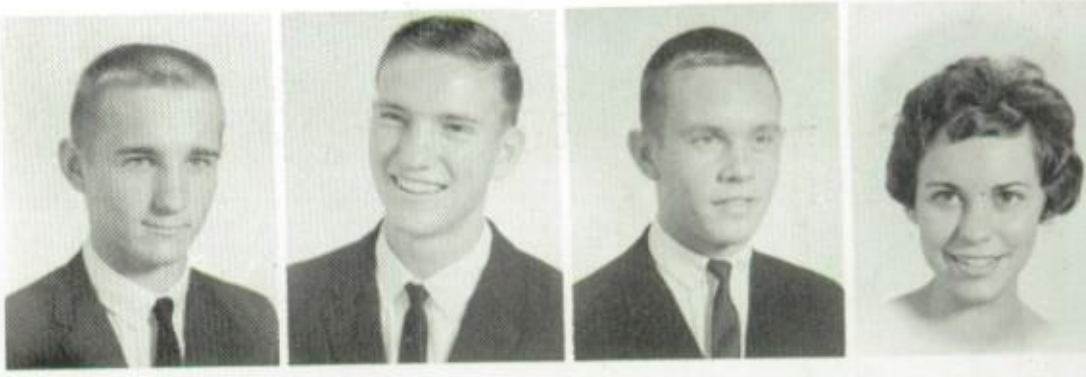
Honor Society

Since its establishment in 1934, the Honor Society has held an honorable place in the club circle of Lexington Senior High School. To become a member, a student must excel in character, scholarship, leadership, and service. Senior members must maintain an average of ninety-three; and juniors, an average of ninety-five. Members are inducted every spring and fall in an impressive ceremony, and meetings are held monthly. The advisor is Miss Janie Manning.



President, Charles Bernhardt; Vice-President, Charles Bullaboy; Secretary, Johnny Fritts; Treasurer, Pat Hankins.

Beta Club

Achievement, character, and leadership are the basic qualities of each member in the Beta Club. The new members are chosen each year by the advisor, Mrs. Harold Bowen, and the president. All members must have an average of eighty-seven or more. These things make the Beta Club one of the most outstanding clubs in Lexington Senior High School. The purposes of the club are to reward merit and achievement among the students, to build character, and to cultivate a serious desire for the higher things of life.

Tri-Hi-Y

President, Mary Conrad; Vice-President, Martha Hardee; Secretary, Mildred Gee; Treasurer, Barbara Harris; Asst. Treasurer, Carol McWhorter.

Newly elected members of the Tri-Hi-Y were objects of envy on the day they were pinned, for it is the secret desire of almost every girl at L. S. H. S. to become a member of this club. Hushed whispers in the corridors, excited faces, and eager anticipation commemorates the impressive coronation of the King and Queen of L. S. H. S. for which the Tri-Hi-Y is responsible. Among other activities for which the Tri-Hi-Y is noted are the decorating of the Queen's float, monthly supper meetings, and attending church services together once a month. The purpose of the Tri-Hi-Y, "to create, maintain, and extend throughout the home, school, and community, high standards of Christian character," is truly carried out by each member. The advisors of the club are Mrs. Aycock and Mrs. Bell.

Hi-Y

President, Kenny Swing; Secretary, Bobby Honeycutt; Treasurer, Simmy Delapp. *Not pictured:* Carl Gray, Vice-President.

One of the most active and oldest boys' clubs in L. S. H. S. is the Hi-Y. Under the capable leadership of Mr. Johnny Rhodes, the advisor, the members of the Hi-Y have many big events to remember. This year the Hi-Y played a very active part in the March of Dimes Drive. The aim of every member is "to create, maintain, and extend throughout the home, school, and community, high standards of Christian character."

Literary Club

Perhaps one of the most distinguished clubs of L. S. H. S. is the Literary Club. New members are voted into the club on the basis of articles, drawings, musical entries, and themes which the hopeful applicants turn into the club. The club members vote on the neatness, originality, and quality of the entries, and the ones meeting all necessary requirements are admitted into the club.

In fulfilling its purpose of instilling in its members an appreciation of the value of literature, the Literary Club has as one of its activities visits to near-by colleges to see plays. The sponsor is Mrs. Roland Gibson.

President, Charlye McDade; Vice-President, Eddie Holmes; Secretary, Pat Hankins; Treasurer, Carol Myers.

Officers of the F.T.A. are as follows: Mary Miller, Linda Swicegood, Pat Melton, President; Gay Middleton, Sue Hilton.

Future Teachers

The purpose of the F. T. A. is to help students who think they might be interested in teaching as a future career. This club, composed of Junior and Senior girls, was named for Mrs. Ida Conrad Hedrick, who for many years was a teacher in the Lexington City Schools. The Classroom Teachers Association of Lexington has encouraged the F. T. A. by both professional and financial help. The advisor of this successful club is Mrs. L. E. Berry.

D. E.

President, Gail Robertson; Vice-President, Teddy Williams; Secretary, Carolyn Caudle; Treasurer, Mary Lou Miller; Photographer, Sandra Marusak; Editor Promotion Manager, Vickie Driver; Asst. Promotion Manager, Gid Motley.

The Distributive Education is designed to help students learn civic obligations and to be able to accept responsibilities which will strengthen the schools work program. The students in this program work part time in the local businesses in order to gain practical experience and use the skills and technical training they receive in school. All students in the D. E. Program will have the required courses for graduation plus the basic fundamentals of business training and at least one year of part time work experience. By graduation these students are well started in a business career. The sponsor is Mrs. Coble.

The Diversified Occupation Course involves the co-operation of the public school and business or industry as it is a form of part-time education designed to provide vocational-industrial training opportunities for high school juniors and seniors. This program offers occupational training for those not planning to enter college. This specialized program greatly benefits students who wish to further their knowledge in industrial and vocational education.

Future Nurses

Martha Michael, Treasurer; Brenda Hedrick, Secretary; Priscilla Harb, President; Barbara Morris, Vice-President.

The F. N. A. was organized mainly to help girls decide on the type of nursing career they would prefer in the future. Projects are organized by the F. N. A. to help needy families, and on holidays cheerful items are made by these girls to place on hospital trays. Throughout the year the club visits various hospitals and rest homes. Under the capable guidance of Mrs. Olenick, the F. N. A. has become one of the most prominent clubs in L. S. H. S.

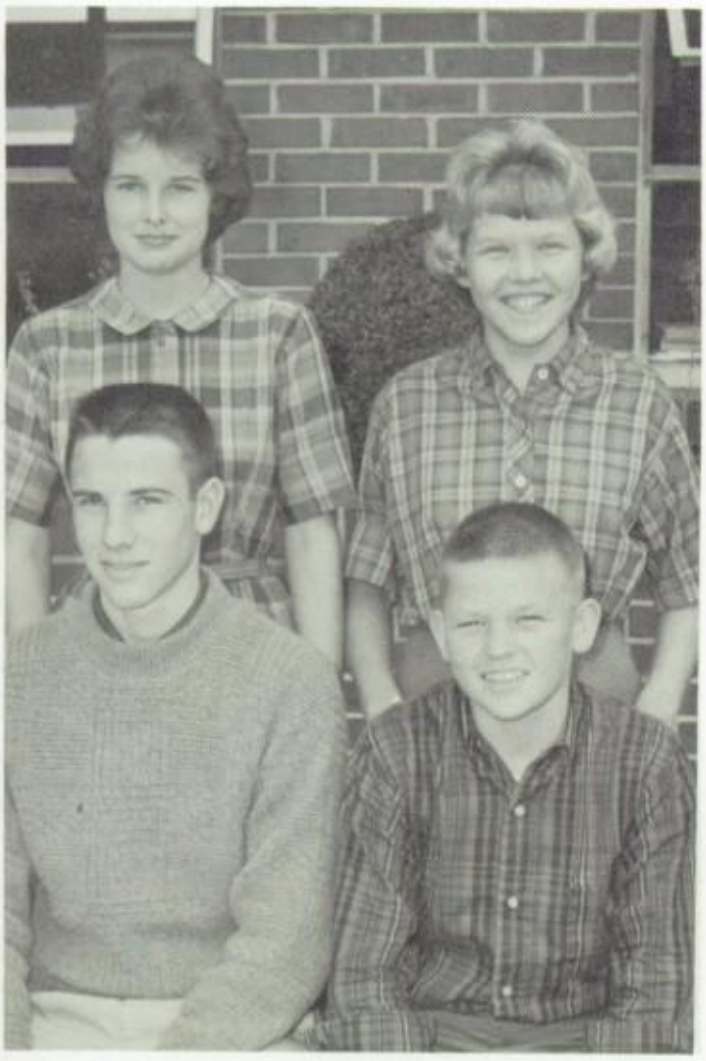
French Club



Officers of the French Club are as follows: Keith Briggs, President; Pam Childers, Ronnie Truell, Sherry Wilson.

The aim of the French Club is to create an interest among students for the study of French, a beautiful and romantic language. The students also learn about the customs and people of France. Each year, the French Club produces a play under the direction of their advisor, Miss Imogene Riddick. These plays are thoroughly enjoyed by everyone. Since its beginning a few years ago, the French Club has become one of the largest and most beneficial clubs in the school.

Monogram Club

Although the Monogram Club has been organized at L. S. H. S. only a few years, the athletes look forward to membership and to displaying the hard-earned letters on their jackets. These boys, and girls, too, support the sale of programs at the football games and luminous "Jacket" stickers to finance their projects throughout the year. A highlight of the year is the spring banquet which is always a fun-filled occasion.

Key Club

Officers of the Junior Civitan Club are as follows: Tony Lopp, Vice-President; Ronnie Hedrick, President; Chip Craver, Secretary-Treasurer.

Office Assistants Club

At L. S. H. S., we could never do without our little helpers who answer the telephone, run errands, type tests, and perform many other important tasks. The office assistants are a vital part of our efficient office administration. Mrs. Padgett, the club advisor, is duly proud of each of her capable office assistants.

Officers of the club are: Cynthia Shillinglaw, Linda Pritchard, President; Ronda Biesecker, Frankie Newsome.

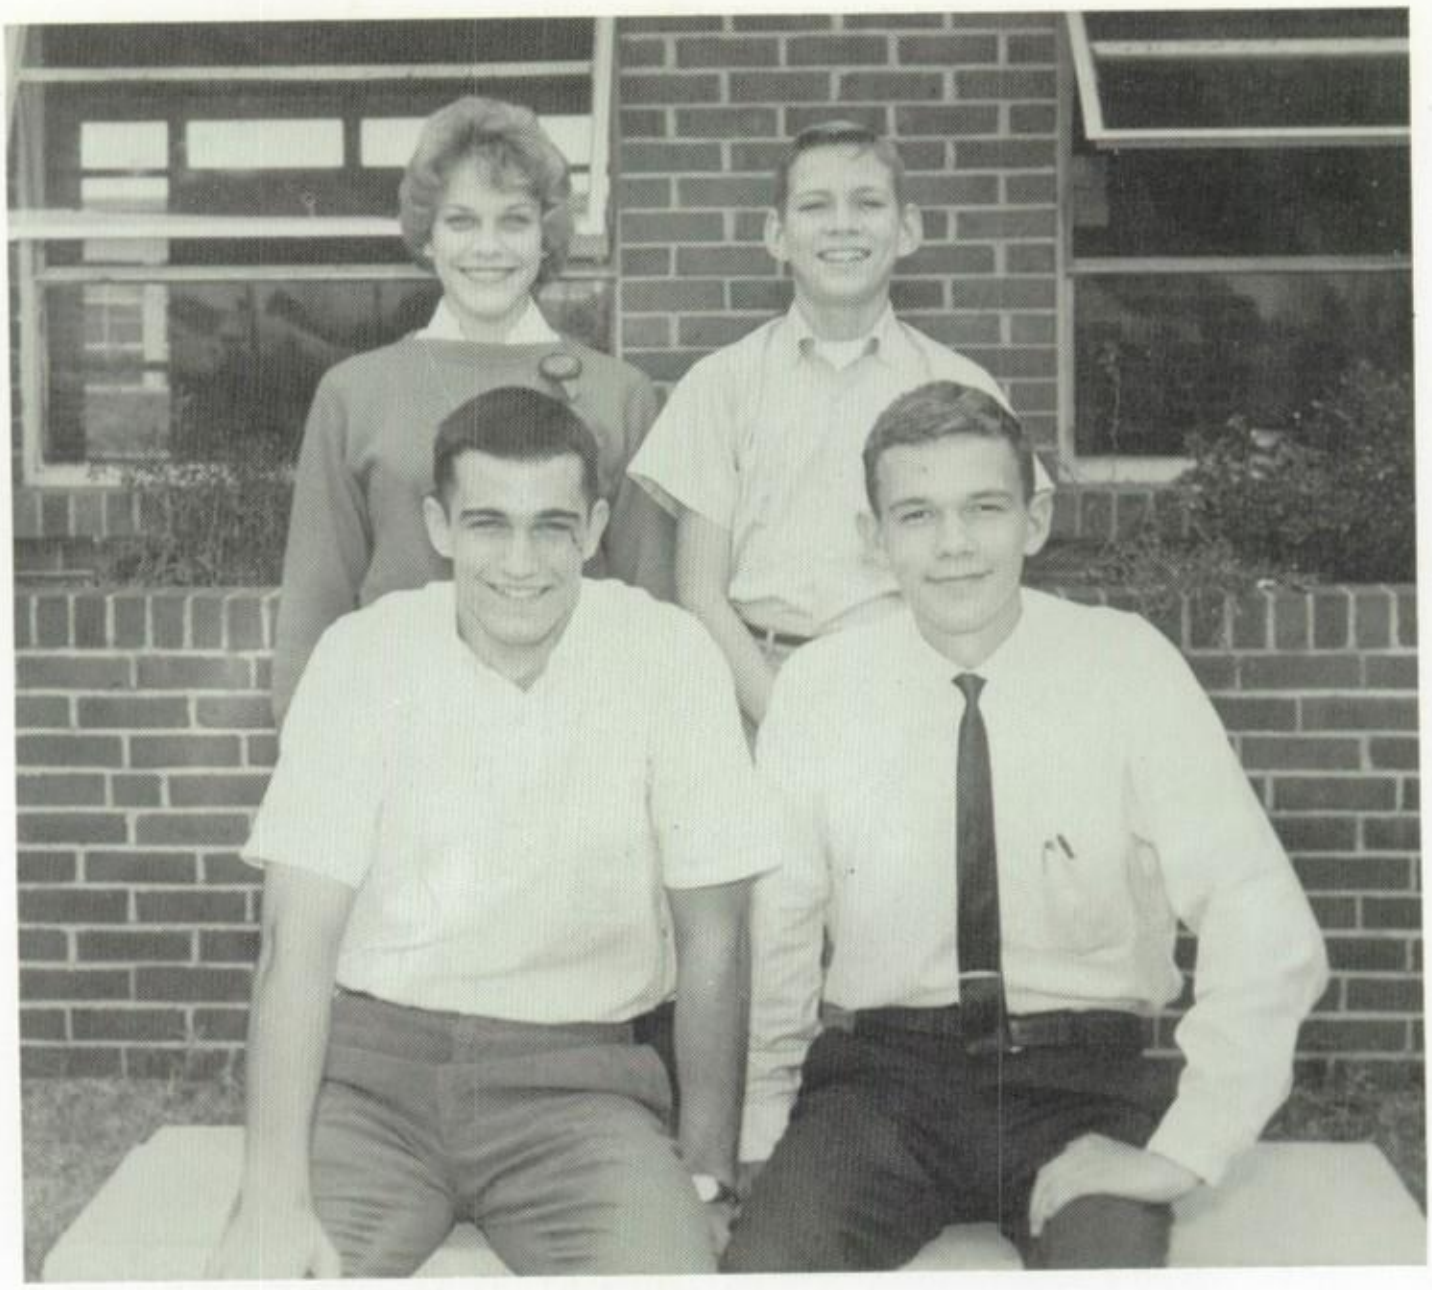
Girl's Chorus

The Girls' Chorus is a very enthusiastic group at L. S. H. S., and occasionally they participate in radio programs and appear before civic clubs. Each member gains valuable training and experience through this club. It is under the leadership of Mrs. E. E. Witherspoon also, and the officers are President, May McBride; Vice-President, Faye McBride; Secretary, Betty McBride; Treasurer, Linda Hall.

Glee Club

The Glee Club under the capable direction of Mrs. E. E. Witherspoon, has developed into one of the finest singing groups in the state. Their ambition and long hours of practice have combined to create the finishing touches to our music department. The officers are President, Dennis Taylor; Vice-President, Tommy Meador; Secretary, Barbara Everhart; Treasurer, Clara Craver.

Pep Club



The officers of the Pep Club are the following: President, Rusty Ward; Vice-President, Teddy Royster; Secretary, Danny Parker; Chief Cheerleader, Mary Conrad.

The Student Council, on the premise that school spirit was low, and that it was time to take action to restore it to its previous vitality, founded the charter for the Pep Club.

The Pep Club realized its cue; chose members for their willingness to work, their enthusiasm, and their ability to promote school spirit. Our pledge: to support vigorously all phases of the school athletic program.

Even though basketball had a mediocre existence, loyalty to our school never shone brighter. Spring sports also enjoyed our school's undivided attention and support.

The Pep Club again this year sponsored Club Night at our first home basketball game of the new year, thus establishing a school precedent.

To bring L. S. H. S. up to par with the other schools in our conference, the Pep Club instigated a plan to purchase for the school, a much needed and deserved activity bus.

This first year has been a test, one which would determine life or death for the school's newest venture.

The Pep Club has proved itself heartily.

Majestic Wonderland

Our story began as the world of Alice in Wonderland came to life. Queen Mary Marinda Conrad and King Noel Morphis reigned over the court of Tri-Hi-Y girls and their escorts. The court enjoyed peeking in on the Mad Hatter's Tea party and watching some delightful students display their talents. Everyone enjoyed the Coronation as they lost themselves in the magic of wonderland.

Wrestling

For the past several years our wrestling team has made steady improvements. Again this year, under the watchful eyes of Coach Rhodes and Coach Price, the boys will be on the mat. With the help of several returning lettermen, our team will better their record. We know the boys will work as hard as possible for the coming season. The LEXICON wishes both coaches and team the best of luck.

Front row, left to right: Spencer Crowell, Joe Hornbuckle, Nicky Drye, Lolan Leonard, Tommy Grayson, Charles Bernhardt. *Back row, left to right:* Coach Bob Callicutt, Marlett Goodrum, Doug Pritchard, Charles Crouse, Jimmy Snyder, Teddy Royster, Johnny Bumgarner, Jack Yarborough, Richard Johnson.

This year the Yellow Jackets did not have a good season statistical wise, but they gave many of their rivals a run for their money. The team began the season with four wins over non-conference foes, but then slowed down. The team being made up of mostly juniors did a fine job this year. With boys like all-conference center Jim Snyder, forwards John Bumgardner and Ted Royster, guards Tom Grayson, Joe Hornbuckle and Nolan Leonard back next year, the Jackets should be hard to stop. The LEXICON congratulates them for a job well done this year and wishes the best of luck next year.

Basketball

COACH BOB CALLICUTT—In his two years at L. S. H. S. there has been steady improvement in our Basketball. He has worked with our boys and made them a team. He has brought prestige to L. S. H. S. basketball. Congratulations Coach and good luck next year.

Co-captains: Joe Hornbuckle and Jim Snyder.

Junior Varsity Basketball

The Lexington Junior Varsity ended the basketball season with an overall record of ten wins and ten losses. The team fought to victories over the junior varsities of Asheboro, Central, North Davidson, and several other schools. The team's record in the conference was good, and next season promises to be even better. Besides presenting a fine record as a team, the Junior Varsity provides a fine training program for future varsity players. To the Junior Varsity we wish the best of luck next season.

VARSITY CHEERLEADERS

The L.S.H.S. cheerleaders are an important symbol of our steadily rising school spirit.

These girls, chosen by student elections, work hard to perfect our many school yells.

Under the direction of "Putt" Conrad, Chief, and Mr. Carroll Bowen, faculty advisor, the cheerleaders maintain standards of good sportsmanship and encourage student participation.

WELCOME

Spring

Spring came to school with the winds of March and the showers of April. As nature gained new life, students became more active, for they knew that when spring came summer could not be far behind.

Outdoor sports once again became popular. Baseball practice began in the early spring, and games were soon being played in the afternoon following school. Track meets also had their place in the sports, for Lexington athletes as they had in past years.

Anticipation rose as members of the Lexhipep staff waited for the Senior Edition which was to be the last in a year's series of papers. Of course, excitement reached a feverish pitch as members of the Lexicon staff waited to see how the Lexicon on which they had worked so long would look. When the annuals arrived, they were presented at the traditional Lexicon assembly.

Underclassmen looked forward to class parties; and for Juniors, the great hour finally arrived when class rings were received. The people who were happiest because spring had arrived were Seniors. They looked forward to the Junior-Senior, Senior Assembly, and the highest hour, Graduation. Graduation did come, and with it came gifts, memories, and for some a few tears.

Exam days were passed, and summer had arrived. School was out; vacation began; and another year at L.S.H.S. came to a close.

After showing great improvement at the latter part of last year's season, the Yellow Jackets' baseball team should be one of the top contenders for the conference championship this year. Track

Coach Frank King and Coach Reep.

Track is one of the sports students know little about, but it requires great desire and physical conditioning. With the acquisition of a new coach, Coach Reep, the track program at L. S. H. S. should improve. The '62 Staff of the LEXICON congratulates both boys and coaches for their hard work and wish them the best of luck in the future seasons.

Ricky Rhodes heaves the shot.

Ted Royster and Sam Prevette exchange the baton for the relay.

Tennis

The L. S. H. S. tennis team is the defending champion of the Central 4-A Conference. The team supports a 25 game winning streak and is hoping to have another undefeated season. The team is led by its three seniors, Tony Craver, Charles Crouse, and David Myers, number one, three, and four respectively from last year's team. Rounding out the top six are juniors Jimmy Snyder and Louie Cox, and freshman Jim Philpott. We wish the team the best of luck in trying for its third straight conference championship.

They are to be congratulated for their fine effort. Next year with Bill Hall and several other players the team should improve. Best of luck from the LEXICON to the golf team.

For thirty-nine years the *Lexhipep* has proudly served Lexington High School and its students as the school paper. The paper is self-supported, drawing an income from subscriptions and ads of local merchants, who have given wonderful co-operation.
Through late hours and hard work the staff can be proud of their finished products. They have made the *Lexhipep* one of the very best school papers.

Lexicon Literary Staff

"Have you finished your section?"—"No money this week, no LEXICON this spring!"—"Quiet! Here comes Miss Matthews!"—these are the familiar snatches overheard in Room 5 as the hard-working LEXICON staff produces a history book of treasures. With Miss Matthews' helpful guidance and Marie's new ideas the staff worked enthusiastically to produce "The Best Annual Ever." If the staff did produce your dream annual, they can forget the skipped meals, the lost hours of sleep, and the headaches suffered while wondering where money and ideas were coming from. Each staff member hopes that the students are pleased with the 1962 LEXICON and will be proud to say, "Will you sign my LEXICON, please?"

Dear Larry,
After the way you got me in such trouble in Mr. Gibson's room, I don't know whether I should even write in your annual or not. I know, I just won't sign it. I have enjoyed being in your B.D.C. classes this year. Even if my engraved desk will probably be thrown away. Our little history sessions in algebra have helped me very much. Next year (if luck is with me) I hope you are in very few of my classes. Not really. I have truly enjoyed being in your B.D.C. classes. It made the time go faster. Best of luck to a fine, mean lad. I'll vote for you next year, maybe.
Have fun this summer. A friend always,

This year's best yearbooks

. . . are produced at Edwards & Broughton. Since 1902 we have had quality as our first concern in the production of letterpress and lithographed annuals. Our new large plant and our recently acquired equipment enables us to do an even better job without losing our personal touch. You can be truly proud of your annual . . . if it was produced by Edwards & Broughton.

Dear "Moondogie,"

It has been very nice being in your homeroom. Boy, we have had sometimes. Remember the time we put the ink in the salt-shaker with the rose for decoration. Remember the Homecoming dance at the "Y." And the time we tried to make Joyce mad. I still don't know if we succeed in doing so or not. I guess we did because you aren't dating her anymore. I think she is very sweet though.

I have thought and thought but I still can't remember what June 12th is. I guess I really should know.

Well, soon we'll be out of this "prison" into the free world for three wonderful months. Don't do anything I wouldn't do at the beach. And be careful and don't get so dark this summer.

We had a good time at Sanglewood Park last week-end didn't we. You should have stayed longer at Millsdale Sunday.

Now to the serious part. I want to wish a very deserving boy all the success and happiness this "good ole world" can offer him. Keep up the good grades for the next two years and you can do what you want to.

Love you always,

Jeanne

Well Larry,

This has really been a year to remember. I remember it vividly for this is the year we became very good friends. Lunch wouldn't have been the same without you. Thanks for saveng me a place in line so many times. I can also thank you for teaching me to play tennis. Without you this year would have passed very slowly and I would had dreaded every minute. But since we were good friends this year has passed only too quickly. Without our weekly tennis matches my Saturday mornings would find me with nothing to do. I am proud to consider you amoung my friends.

Say, you know, English wasn't too bad this year, was it?? Old Dugie is a pretty good gal when she's asleep, therefore, this was a pretty good year.

To such a smart, intelligent, intellectual, intuitive, and energetic boy, I say best of luck in your future years.

A friend always.

Dear Larry,

I just thought I'd write next to good old Jim. We've had so much fun this year, in school and out. I think I'll start with the beginning. Speaking of Jim, I thought something was going in study hall before he stated band. Oh well, I'll just think of what might have been. Remember the ice skating? I'm just dying to try it again. Tommy wrote in my annual that he didn't think he would do that again. Oh, remember Tommy jumping out of the car to do the twist? I swany, I'm getting so tickled thinking about it I'll have to stop writing. Remember the Ice Capades and all those Jops! I think I had as much fun standing in line as I did watching the show. You are without a doubt the most fun to be with! I wish ever one had your sense of humor, it would sure be a wonderful world to live in. Remember all the notes in "Gabby's" room. I'm sure I would have failed the course if you hadn't been in there to help me. I guess Mr. Temple (God Bless' him!) didn't know what he was starting. We might not have grown to like each other if we hadn't been in his room. He's truly a wonderful person. Remember that boiled egg you put down my back. That was the only time I was really mad at you, but it didn't last long. Do you remember Imogene. She was a real bird! I wonder what she's doing now. Remember collecting weeds for Mr. Temple, and worm painting. Oh my, I could just go on forever. I guess you can just take for granted that I still like you alot. I hope we'll always be friends - good friends. You're a swell guy! Maybe we can get together this summer and play some tennis or something! My Mother loves you and I don't blame her. Ha Ha

Dear Larry,

Hee, we had 8ball this year!! Even with LuLu and Portia and especially Gabby! I'm really going to miss my Soph. Year. But, we'll be Juniors!! Life's going to be boring without my collar being pulled and numerous other things you think of to do!! Remember the Spanish & Saxophone plays? I do! No kidding, I really have enjoyed being with you this year. Lots of luck and happiness to you in the future.

My dearest only Love,

I have really enjoyed knowing you this year! I don't believe my year would have been complete without you pestering me and calling me that stupid name. But I guess I forgive you for that.

I don't believe I know anybody with quite as much natural charm and such silly blue eyes. I can sincerely say you are one of the sweetest boys I know.

I want to wish you all the success and happiness you could want..

Love and kisses,

Sue

Larry,

I really don't know where to begin. I was so shocked when Alan brought your annual in. I hope he gave you mine!!! This year has been great for both of us, although we weren't together half as much as we were last year. I don't think we will really have anything close to last year. Dear ole Johnny was so sweet especially when he separated us. English this year was a blast, and biology was simply great. I wish I could have taken a movie of you from my seat in there. The way you eat!! God good boy, Judy. I had a hard time concentrating in biology! (As if we tried to) I swear you look so cute sitting over there smiling always and usually you were doing something to Judy Hays. Poor ole Sete! I know she's glad to see this year end. We really gave her a tough time. One thing I shall never forget and that was Tanglewood last year. That canoe ride was great, although I didn't know how to canoe. The only trouble was, it was daytime instead of night. This year I'll never forget how jealous I was of Joyce. Then Alan came along and it didn't hurt so much. Some days I was just about at the boiling point, and someway I always cooled off before I said anything. I feel sorry for anyone trying to read this. I'll never forget the elections last year + this year. Maybe next year will be your year!! I sure hope so because if anyone deserves to be Senior Class President, it's you. I hate this thunder + lightning!!! In all the elections you put up a good fight, right to be end. You were always such a good loser!! I admired you so much for that, and I think everybody else did too. You were a much better loser than someone else I know (who lost an election this year. I'll never forget the times you called me (or I called you) and your little nephew was crying his head off about something. I felt so sorry for you when you tried to study. But you must have done a good job because your grades were always so good. Aycock was hard to make a good grade but you always managed. Sete was easy but good gosh Galby was simply murder!! I studied so much for her that my head seemed to swim always with history. But now at that time I seem to have forgotten everything. Larry, you have a personality that can never, never be surpassed. You + Alan are the two nicest boys I have ever met. You can make anything funny, no matter what the situation. You are a delight to date. Believe me, the girl who nets you will have one of the most wonderful boys in the whole world! Just don't get married young, Larry. You have an entire life ahead of you and that life can be just as wonderful as you are if you will only let it. Life is what we make it. You have the ability to succeed in many areas of life. I just hope you choose a field that will you will be happy in. I'll never forget something you told Mr Hodges last year. He was asking his questions about ourselves and he asked you if you had any brothers & sisters. You told him that he had taught one of your sisters. He asked you if she finished school and you told him she had quit. He asked you if you planned to finish and you said, "I hope so." Sompleon that left an impression on me. Larry, don't be satisfied with just finishing school. Try to go on. Maybe you can't go to college, but there are other ways. I know if you can that you will be a big success if you can go to college! You deserve only the best, and college is one place to achieve the best. If you're still reading this by now (which I doubt) I hope you won't think that I'm lecturing you or something. I can never find the right words to thank you for being the friend that you've been to me. You've always been there this year especially when I needed you. I think you know what I'm talking about. I don't know who I could have turned to if you wouldn't have been there. Thanks so very, very much for all the advice. Even though one thing never happened, it was still you who were always there to give advice. (I put a new carriage in) Larry, maybe someday, somehow I can find a way to show you what a grand friend you've been to me. Truly, you are wonderful. Be very, very sweet this summer. + always be good. Keep your wonderful personality + you will always be a success. Good luck in everything you do. Love ya very much, Betty
